

**Platelet-Rich Plasma (PRP) Course
with Dr. Caleb Ng, ND**

**September 26, 2026, 9 am – 5:30 pm
308-2630 Croydon Drive, South Surrey**

This one-day workshop will cover the history, science and development of platelet-rich plasma (PRP) and the use of PRP in medicine. The workshop will cover mechanisms of action, indications, contraindications, harvesting methods, preparations, and best practices. Innovative techniques including PRP eye drops and Nebulized PRP therapy will be reviewed.

Space is limited to eight attendees. One-Day Course Fee: \$2,500

Student & First-Year Doctor Rate: \$2,000

Early Bird Discount: Save \$150 when you register by August 30, 2026.

Returning Participants: Eligible for a 50% discount.

All prices are listed in Canadian dollars. Refunds are subject to a 3% cancellation fee.

I Participants are expected to practice within the scope of their profession and their jurisdiction.

I acknowledge that only a 50% refund will be issued for cancellations made after September 16, 2026.
